

ESD Metal Wrist Straps

AMWS Series

RoHS & REACH Compliant

ESD Metal Wrist Straps are a premium band set featuring a high quality adjustable, one size fits all metal wrist strap band with an insulating outer surface and a coil cord. The band is standard with 4mm, machined male snap and provides a 360° conductive contact around the wrist, providing maximum skin contact. A shorter, swivel type banana jack increases coil life, prevents cord tangles and fits most bench grounds. It uses highly conductive copper sulfide nylon thread for conductivity and it has a maximum resistance of 160 ohms. Comes with a 12 ft. cord.

Product Specifications ⁽¹⁾

Banana	Swivel Type
Buckle	Black Metal Expansion Band
Color	Black
Resistor	1 meg ohm (+/- 5% tolerance)
Size	Band = Adjustable; Cord = 12 ft. long
Stud	4mm Stud
Expansion Ratio	1.5: 1
